

The Vevringexhibition 2010

We are about ready for the 2010 exhibition and the time is due for some practical information.

16 artists will be participating. We are planning to use the gym, the stairwells and the corridor in 2. "høgda" in the refurbished school. We will all meet up at the Vevring School Thursday September 16th at 17.00. You will be able to set up your work after a joint meal. We will help you. The display need to be ready that evening as the exhibition will open Friday September 17th at 11am.

We are expecting many school classes and other audience Friday. They are used to having the artists present and are interested in talking to you. If any of the artists would like to do a talk about their work, please tell us upon arrival. We would like to schedule time slots every day for the audience chance to meet the artists.

We would like to know when you are arriving, if you require to be picked up in Førde/Florø, and if you are travelling with your family or by your self. This is to make sure we have arranged enough accommodation for you all.

Remember to bring warm clothes! All artists will be offered the opportunity to go on a boat ride on the fjord Friday and the weather might be chilly. Warm clothes might also be necessary for the parties Friday and Saturday evening

For you that don't know Vevring: it is a small village about 470 km from Oslo. That is about 7-8 hours by car if you travel trough Hallingdal or Valdres. A ferry will cross you from Fodnes to Manheller in the Sogn district. It is a short ferry ride. It is not necessary to take a ferry if you drive to the Gudbrandsdalen, but the drive will take more time if you choose this route. Express coaches go to Førde from Oslo, Trondheim and Bergen everyday. You can also travel by domestic flight to Førde (35 km from Vevring) or Florø(70 km from Vevring)

If you decide to come by bus or plane we will arrange for someone to pick you up. If you come by car, drive to Førde, take the road towards Florø to Naustdal. Straight after the bridge, in Naustdal, by the gas station you turn left. The road is marked RV 611 and the sign will say Stavang. It is 23 km from Naustdal to Vevring.

Please don't hesitate to send an email or give us a call you would like some more information. Please send us the information we require ASAP preferably before September 1st.
